

USAF HERITAGE OF AMERICA BAND – FULL SPECTRUM

SPONSOR/STAGE MANAGER GUIDE

Thank you for your sponsorship of the USAF Heritage of America Band! "Full Spectrum" is a popular music ensemble that puts on a high-energy show suitable for all ages. The band is comprised of 10 members including 2 vocalists, a horn section, full rhythm section, and an audio engineer. Several publicity materials are available on our sponsor page, including posters, logos, photos, and a press release. Please use these materials to advertise our FREE concert through your local newspapers, TV, radio, websites, and social media. Local music educators and arts councils may be able to help advertise. Please see below for our logistical performance requirements.

Stage/Performance Area Requirements:

- Load-in access for 2.5 ton truck w/ direct access to performance area
- 28' x 28' performance area
- Minimum (3) 20-amp electrical circuits
